# Lenovo USB-C Universal Business Dock

## A smarter way to work.

If you need a productivity boost, the Lenovo USB-C Universal Business Dock is built to deliver. Designed to thrive in mixed PC environments, it features a universal USB-C connection that delivers effortless plug-and-play with most USB-C notebooks. When you pair that with our industry-leading performance and enhanced user experience, it's easy to see how a Lenovo dock can make you more effective.

## Why you need Lenovo USB-C Universal Business Dock

### Goodbye clutter. Hello creativity.

The Lenovo USB-C Universal Business Dock is for professionals who are tired of being weighed down by messy workspaces. With 9 helpful expansion ports, it's never been easier to optimize your workspace and workflow.

### Just one cable. Really.

A single cable is truly all you need to enjoy lightning-quick data transfers, dual 4K monitors, and rapid charging for notebooks up to 65W with the included adapter or up to 100W with the optional 135W adapter.

### Universal. No headaches.

Enjoy a hassle-free universal experience thanks to the USB-C (PD 3.0 Standard) connection that provides next-level plug-and-play in most mixed PC environments.
