

Tecra A50-EC-15T

Productive at your desk.
Confident on the move.

A reliable companion for your working lifestyle, the Tecra A50-EC achieves a perfect balance of durability, style, and mobility. Harnessing over 30 years of experience, this slim yet durable business laptop is built to last. Your staff will appreciate its spill and drop-resistant design and biometric authentication, especially when it comes to protecting your sensitive data. What's more, the Tecra A50-EC's components - including up to an 8th Generation Intel® Core™ processor and USB Type-C™ connectivity - ensure best-in-class reliability for your users' working lives. You can keep pace on even the busiest working day, with a backlit keyboard plus a selection of high speed SSDs, or high capacity HDDs, making mobile working convenient and secure. Connecting and conferencing is also easy with the Tecra A50-EC's Wi-Fi capabilities, plus a USB Type-C™ slot that offers Display Port and Power Delivery via a single cable, maximising connectivity and minimising cable clutter.
