

Pillar

00210585 Holder for Tablets, Aluminium, for Tablets 7 - 12.9" (17.78 - 32.76 cm)

Highlightstext:

- Holder for tablet allows quick and easy access to the device and comfortable use
- Variable angle adjustment at two joints for optimised viewing angles: e.g. flat for surfing and writing, steep for photos and videos
- For horizontal or vertical use
- Non-slip rubber protects against scratches and ensures a perfect grip
- Non-slip base feet for a stable position also protect the resting surface from scratches
- Stand function for easy positioning of the device
- Ideal for use in the kitchen or office
- Simple handling based on the bookstand principle: simply place the tablet in the holder, ideal for recipes or guides, e.g. on YouTube
- Stylish design for desktops, workstations and so on.
- High-quality, stable holder made from aluminium
- With Allen key for the screws to permanently secure the angle of the joints in your preferred position

Technical characteristics:
