SEVEN - Redefining Excellence <break>The SEVEN Series is the new flagship in the DICOTA portfolio - our most advanced line to date. It combines decades of expertise with the latest innovations and the clear vision of making mobile working safer, smarter, and more sustainable. <break>Developed from the strengths of the PRO Series and inspired by the real needs of today's professionals, SEVEN delivers best-in-class functionality, protection, and design. Every detail has been carefully engineered: from DICOTA Cushion Technology and integrated RFID protection to a dedicated tracker compartment for added security.<break>What makes SEVEN truly stand out is its sustainability inside and out. The exterior and interior are both crafted from high-quality rPET materials, giving a second life to recycled plastic bottles while ensuring the durability and premium feel you expect from DICOTA. <break>The result is a series that sets new standards - durable, protective, and sustainable, without compromise. Choose SEVEN if you demand more: more safety for your devices, more intelligent features for your workflow, and more peace of mind through sustainable design. <break>This is DICOTA at its best - the new benchmark in mobile protection. <break>

As a leading brand for premium carry solutions, we are consciously aware of our social and ecological responsibility - "from people for people".
