

Sustainably made.  
Protection on-the-go.

Dell EcoLoop Essential Backpack 14-16

A sustainably made, everyday backpack with a large, full-access front opening and protection features that shield your laptop and essentials.

EcoLoop™

**Designed with the environment in mind**

Dell EcoLoop™ labeled backpack is produced with select materials and/or methods that reduce the environmental impact compared to traditional industry techniques. The backpack's exterior main fabric is made with 100% recycled plastic, reusing approximately 8 plastic bottles.<sup>1</sup>

**Complete protection**

Built with 360° foam cushion surrounding the laptop sleeve, keeping your computing devices protected from bumps and knocks.

The backpack is made from durable fabric that makes it water-resistant to keep your belongings dry and protected.

**Thoughtfully designed**

Easily access your tech and essentials with the purpose-built organizers and dedicated laptop sleeves, and the reflective accents increase visibility in low light.

<sup>1</sup> Plastic bottle estimate assumes a 500ml plastic water bottle.

# Sustainably made. Protection on-the-go.

Your everyday backpack that's sustainable and made with durable, water-resistant and recycled materials and 360° protection. Our carrying cases are put through rigorous quality tests, including water resistance, strap and zipper strength and fabric abrasion, proving their sturdiness and long-lasting durability for the protection of your belongings.

Adjustable, shoulder straps and padded back panel

Store documents and all your work essentials neatly with the one pen holder and two slip pockets built-in organizer

A front, quick-access zippered pocket keep your other tech accessories like mobile phone within reach

Durable, water-resistant fabric

Reflective accents on both front and back of the case provide increased visibility during low light commute hours

Provides protection on-the-go with 360° foam cushioning surrounding the laptop sleeve.

Large, full access front opening for increased functionality

Two exterior mesh pockets on either sides can hold your water bottle and umbrella

## EcoLoop™
