HP 25X High Yield Black Original LaserJet Toner Cartridge

(CF325X)

Designed for offices that require consistent, professional-quality documents from a toner cartridge that contains energy-efficient toner.

HP 25 LaserJet Toner Cartridges are high-yield cartridges for cost-effective, high-volume printing. Boost office efficiency and get professional-quality documents consistently. Print at high speeds without sacrificing quality and help save energy¹.

Avoid wasted time with fast printing and easy installation.

Increase efficiency with Original HP LaserJet toner cartridges. Enhanced HP toner fuses quickly to documents for fast printing with outstanding quality. Get quick and easy installation – and exceptional value for frequent printing.

Print professional quality documents, time after time.

Produce professional-quality documents and enjoy trouble-free printing. Print crisp text and sharp, black graphics – page after page. Original HP LaserJet toner cartridges are designed and tested with the printer for consistent results.

Print responsibly and recycle cartridges easily.

Rely on the environmental leadership of HP. Original HP LaserJet toner cartridges with enhanced toner can help you save energy¹ and are designed with the environment in mind. Recycle Original HP cartridges responsibly, using HP Planet Partners².

¹Energy savings calculation is based on HP's black-and-white LaserJet printers comparing the energy-efficient toner in the most recent printer within a class to its legacy printer with conventional toner. The stated energy consumption, during printing, is divided by the printer's pages per minute. Actual savings may vary.

²Programme availability varies. HP toner cartridge return and recycling is currently available in more than 50 countries and territories around the world through the HP Planet Partners programme.
