

Logitech Z407 Bluetooth computer speakers with subwoofer and wireless control

- Immersive sound with 80-watt peak power and digital signal processing

Dial into great sound for your desktop with Z407 Bluetooth computer speakers. Get immersive sound via Bluetooth, micro USB, and 3.5 mm inputs. Down-firing woofer adds “boom” to your sound, plus digital signal processing that keeps clarity across the sound spectrum. Position the speakers however you like, and control it all with the wireless control dial.

WHAT'S IN THE BOX

2 satellites
1 subwoofer
