LABEL-OFF Cleaning Spray

Article overview: 4192957

LABEL-OFF enables you to easily remove paper adhesive labels. It can be used in a variety of fields including industry and retail. The highly effective solvent soaks into the label and dissolves the adhesive. After only 2-4 minutes, the label can be removed without the need for any extra work. Some plastics may be damaged by the solvent. Do not use on plexiglass, acrylic or CD cases.

- Removes adhesive labels quickly and efficiently
- Highly-effective solvent
- Spay in an aluminium can
- · Not suitable for use on plexiglass, acrylic or CD cases.
