EcoTank ET-4856

Enjoy high-speed, business quality printing at an ultra-low cost with this multifunction inkjet with fax and ADF, perfect for home offices

Save up to 90% on printing costs[1] with Epson's cartridge-free EcoTank printers. Supplied with high yield ink bottles, the integrated ink tanks are easy to fill thanks to the specially engineered ink bottles. With no cartridges to replace, flexible connectivity features, fax and ADF, this is the perfect printer for anyone looking for high-quality prints at an incredibly low cost per page.

Say goodbye to cartridges
EcoTank provides hassle-free printing for homes and small offices - the ultra-high capacity ink tanks allow mess-free refills and the key-lock bottles are designed so only the correct colour can be inserted.

Keep on saving
This economical printer saves you up to 90% on printing costs[1] and comes with an extra black ink bottle for up to 3 years' worth of ink included in the box[2]. One set of ink bottles delivers up to 7,500 pages in black and 6,000 in colour[3], equivalent of up to 72 cartridges worth of ink![1]

Epson Smart Panel app
This app enables you to control your printer from your smart device[4]. You can print, copy and scan documents and photos, set up, monitor and troubleshoot your printer, all from your phone or tablet.

Packed with features
Featuring a 6.1cm colour touchscreen, automatic double-sided printing and 30-page document feeder, fax, 250-page front paper tray and print speeds of up to 15.5 pages per minute[5], you can speed through a variety of tasks with ease.

Modern flexibility
Featuring a compact design and full Wi-Fi, Wi-Fi Direct and Ethernet connectivity, you can easily integrate this printer with your existing home or office set-up and print from mobiles, tablets and laptops[4].

INK BOTTLE YIELD DATA

	●	● ● ●
Included	14.000 pages*	5.200 pages*
Replacement	7.500 pages*	6.000 pages*

* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit http://www.epson.eu/pageyield

1. Average cost per page saving and average number of inkjet cartridges required to print the same number of pages as EcoTank "102" and "104"ink bottles. Comparison between average yield (A4 prints of ISO/IEC 24711) of EcoTank "102" and "104" bottles and the genuine consumables used within the 50 best-selling inkjet cartridge printers (according to GfK Inkjet Printing Devices and Inkjet Printing Cartridges Point of Sale panel market data for Germany, France, UK, Spain and Italy Apr-19 – Mar 2020).
2. Based on print volume of 100 pages per month and the lowest yield produced from the first set of inks.
3. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 or 29103. Quoted yields are NOT based on ISO/IEC 24711 or 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set will be lower.
4. Epson Smart Panel and Epson Creative Print require a wireless connection and the Epson printing apps. Epson Email Print, Epson Scan-to-Cloud and Epson Remote Print Driver require an internet connection. For more information, supported languages and devices, please visit www.epsonconnect.eu
5. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit the Epson website
