IMPRESSIVE PERFORMANCE FROM PROCESSOR TO PORTS

AMD Ryzen™ Processors: take your performance up a notch with the latest AMD Ryzen™ 5000 series mobile processors. Power through everyday tasks with ease, whether you are coursing through a complex document or mining data.

Enhanced Memory and Storage: up to 16GB of LPDDR4x dual-channel memory lets you swiftly multitask across applications. Up to 1TB of PCIe Gen4 SSD storage with up to 2.75x faster performance than its predecessor gives you the impetus to access heavy software and render bulky files without a hitch.

Smart Power On Login: log in and unlock your device with just a touch. The Fingerprint Reader integrated on the power button also keeps your device and data safe from unauthorized users.

Advanced Connectivity: the multipurpose, full-function USB Type-C provides super-fast data transfers, audio, video, and power-delivery, via a single port. Wireless connectivity over Wi-Fi 6 offers 3x more performance than its predecessor, boosting secure transfers, uploads, and downloads even in congested networks.

PURPOSEFUL DESIGN THAT ADDS CONVENIENCE

Slim and Lightweight: 14.9mm profile and lighter than the previous gen at just 1.26kg, the ThinkBook 13s is ideal for those who prefer being productive on the move. This ultra-portable PC can be easily carried around between presentations, meetings, or just from the couch to the study.

Stylish Body: metal covers on 3 sides give this PC a sharp look and sturdy build, whereas the arc-shaped hinge cap ensures the laptop does not slip out of your hand so you can carry it comfortably.

Dual-tone Design: the professional dual-tone Mineral Grey shade on the top cover adds oomph to this sleek and stylish PC—making heads turn, whether you are at your desk or on the move.

Enhanced Battery Life: power that lasts an entire workday on a single charge, Lenovo ThinkBook 13s G3 with a 56Whr battery lets you be productive without getting interrupted.

USER EXPERIENCE TO BOOST PRODUCTIVITY

Dynamic Display: enjoy stunning visuals with impressive details from any angle with a 4-million-pixel-strong resolution of up to WQXGA (2560 x 1600). Its 16:10 display with narrow bezels and >90% screen-to-body ratio offers large screen real-estate to minimize scrolls and work efficiently through long-form documents.

Dolby® Vision™: get accurate color reproduction with Dolby® Vision™ and a 100% sRGB color gamut. 300nits of brightness on this IPS display maintains consistency and ensures you work without hassle, be it in the office, remotely, or even outdoors.

Service Hot Key: get instant access to device support with the press of a button using the Service Hot Key. Avoid wasting time looking for contact information or device details to raise a ticket for your precise issue.

Smart Features: Lenovo ThinkBook 13s G3 powers up by just opening the lid. The PC operates smarter with voice-based AI-powered noise cancellation that improves conferencing. Multiple modes help set-up the mics for any environment. Built-in blue light filters enable comfortable viewing without harming the eyes. Moreover, the system dynamically maximizes performance with active cooling.

Lenovo

THINKBOOK BLUETOOTH SILENT MOUSE
PN: 4Y50X888XX

This tiny accessory is a perfect companion for your PC. Modern, low profile, ambidextrous design with silent buttons makes it a premium peripheral you won't want to let go of. Get more precision and control with dual-host Bluetooth connectivity (with Microsoft SwiftPair) and 2-way scroll with on-the-fly DPI adjustment to up to 2400. Equipped with a blue optical sensor with track-on-glass compatibility, the mouse works on any glossy surface.

THINKBOOK URBAN BACKPACK
4X40V26080

A multi-functional backpack with anti-theft pockets ensures security on the move. The padded PC compartment offers cushioned comfort, while the high-quality fabric and stylish PU leather accent add to its contemporary design.

LENOVO USB-C TRAVEL HUB GEN 2
PN: 4X90M60789

The perfect travel companion to keep you productive and efficient anywhere you go. Loaded with video ports (HDMI and VGA), Gigabit Ethernet Port, and USB ports, you can extend your PC, connect to a network, and transfer data with ease. Built to move, this USB-C travel hub fits in your backpack, so you're always prepared, wherever you may be.
