Specifications

Subscription, Ecostruxure IT Expert, 5 years, 500 nodes, Digital, Remote monitoring and management of Data Centers.

SWITE5YR500N-DIGI

Overview

Presentation	EcoStruxure IT Expert monitors and protects your critical equipment, providing 24/7 visibility through live data, smart alarming, and data-driven insights on the health of your connected assets directly to your smartphone. EcoStruxure IT Expert synthesizes performance and alarming data into proactive recommendations, and enables secure, wherever-you-go visibility and control.
Lead time	Usually in Stock

Main

Range of product	EcoStruxure IT Expert
Product or component type	Subscription
Subscription period	5 years
Software type	DCIM software Management software
Number of nodes	500
Format	Digital key Cloud hosted
Range compatibility	NMC card Vendor neutral
Hosting option	Cloud
Software function	DCIM monitoring and management Alarming Dashboard overview Inventory NMC firmware update Data driven insights Mass configuration Reporting Remote monitoring Management
User language	English French German Spanish Italian Japanese Korean Portuguese Russian Chinese
Subscription type	Paid

Complementary

System requirements	Access to cloud-based SaaS Windows server Linux server
