

Headset, Bluetooth

00184090 "Passion Chop" Bluetooth® Headphones, TWS, In-Ear, Wireless Charging, blk

Highlightstext:

- You can't get more wireless than this: whether it be in the office, on the move or during sport - the True Wireless headphones including wireless charger give you freedom from wires when charging and when wearing
- with or without a cable: The headphone charging box can be charged via wireless charging technology - simply place the charging case on the Qi charger and charge wirelessly
- Splash-proof according to IPX4 for protection from moisture and dirt
- Touch control: the touch sensor allows intuitive operation without having to take your mobile phone out of your pocket, e.g. music playback (Play/Pause), take/make/reject calls / last number redial
- Supports the voice assistants Siri and Google Assistant: Bluetooth pairing and touch control allow direct access - without having to hold the smartphone
- Thanks to the integrated microphone you can easily switch between music playback and call answer. So you will no longer miss a call when listening to music.
- Rich sound: Enjoy constructive discussions, motivational music or podcasts on time management for a full 12 hours - 4 hours with fully charged True Wireless headphones, 8 hours with recharging in the charging cradle
- The perfect fit reduces unwanted exterior noise so that you can enjoy your music without being disturbed
- Reduced to the only thing that matters: comfortable in-ear headphones without tangling cables for even more freedom
- Intensive music enjoyment thanks to True Wireless Stereo (TWS): the headphones produce an authentic sound experience - for a live concert feeling at the press of a button whenever and wherever you want
- Great music straight away: when the headphones are removed from the charging box, both earphones activate automatically and connect to each other and the mobile phone
- Charge the headphones in the case on the go: the case can charge the wireless headset up to 2 x
- Especially lightweight, wireless headphones: 4 g
- Focused working: the silicone ear buds in the three different sizes (S, M, L) fit so perfectly in the ear that less outside noise gets into the ear
- Louder and quieter via voice command: volume can be adjusted via voice assistants
- Charge the headphone case via USB-C cable or wirelessly and charge the cordless headphones in the charging tray
- If the LED on the charging case is flashing red, it's time to recharge

Wireless charger:

- Connection for charging box and wireless charger via USB-C
- Charging begins automatically after placement
- To end the charging process, simply remove the Bluetooth headphones from the station
- Input voltage 1 - max. input current 1: 5 V / 2 A
- Input voltage 2 - max. input current 2: 9 V / 2 A
- Max. output power: 10W

System Requirements:

- Bluetooth-enabled device

Note for Consumers:

To pair the earphones with the smartphone, both earphones must be taken out of the charging box and paired on the first connection. If this does not happen, only one earphone will pair. Follow the instructions for use.
Other devices that are compatible with wireless charging can also be charged with the Qi charger. Please check the corresponding product information or operating instructions or contact the manufacturer to see whether your device also supports wireless charging technology.
