The CityUpgrade boasts two essential pieces in one stylish package. This versatile bag can be used as a regular backpack for fast-paced, hands-free business days. Water-resistant quick pockets keep important items accessible, and side pockets store other useful gear. The padded laptop and tablet compartments protect your devices, and the essentials organizer neatly stores your everyday gear. The backpack also contains a sleek crossbody bag for day trips and city breaks when you want to feel the freedom of traveling light.

### Key Benefits
