LATITUDE 7320 DETACHABLE TRAVEL KEYBOARD & ACTIVE PEN

Premium design, maximum productivity

Travel Keyboard and Pen sold separately from the Latitude 7320 Detachable

Type naturally & comfortably in style

LATITUDE 7320 DETACHABLE TRAVEL KEYBOARD

Feel the [luxury](#) and sturdiness. This custom keyboard is made of premium metal wrapped in elegant faux suede to offer [sturdy typing](#) on the go. The magnetic hinge lets you detach or snap easily onto the 7320 Detachable tablet for seamless productivity on the move to [work in tablet or laptop mode](#).

The ultra-low 0.2-inch profile takes up minimal space, so you can fit more of what's important into your bag. The chiclet keyboard provides plenty of space around each key for [accurate typing](#), and each key press registers precisely to [maximize productivity](#).

Work late into the evening thanks to [powerful backlighting](#) that highlights the keys for easy visibility. [Spill resistance](#) keeps it safe from food and drink, and a smooth gesture [glass clickpad](#) lets you navigate without touching the screen.

World's fastest charging stylus pen on a commercial detachable¹

Take notes, draw and markup documents. This active pen magnetically snaps to the keyboard for a lightning-fast [wireless charge to 100% in 30 seconds.](#)¹

Latitude 7320 Detachable Travel Keyboard required to charge the pen. Both pen and keyboard sold separately from the 7320 Detachable.

Unleash your productivity & creativity

LATITUDE 7320 ACTIVE PEN

Your new best companion

Lessen the load in your bag and on the planet. Ditch the notebook and pens while on-the-go or out in the field. This active pen allows you to unleash your productivity and creativity with a [natural, smooth, writing experience.](#)

The button is compatible with Wacom Active ES technology (AES) 1.0, and Windows Ink Workspace.
