## Key features

- 1000R** **Panoramic productivity:** Immerse yourself in enhanced productivity for all your projects. A 49" 1000R curved display wraps around you in 32:9 aspect ratio, closely matching your field of view. You can see and do more with a wider screen in Dual QHD, for more productivity with more comfort.
- VESA** **VESA DisplayHDR 400:** See more in every shade while working on video or design projects. VESA DisplayHDR 400 support brings a high dynamic range of luminous blacks and whites to the screen, so your work shines with clear and detailed resolution.
- Versatile connectivity:** A monitor and docking station in one. Tap into DisplayPort, 2 HDMI inputs, USB and USB Type-C inputs that support 90W charging. Connect, transfer and see across devices using the monitor as your hub, and keep your desk less cluttered.
- Built-in speaker:** Work, learn and play without the need for additional peripherals. With built-in speakers you can free up desk space, minimize connections for a more efficient working environment, and listen to your favorite content with ease.
