LX Sit-Stand Wall Mount System & LX Wall Mount System

- Position LCD screen and keyboard for maximum ergonomic comfort with unparalleled range of motion
- Ergonomic back-tilt keyboard tray ensures wrists remain in a neutral position during data entry to help alleviate repetitive-stress injuries
- Designed with our patented Constant Force™ lift-and-pivot motion technology, display and keyboard are easily positioned with just a light touch
- A complete and compact system; system folds up within inches of the wall when not in use
- Integrated cable management and cable channels organize and route cables out of sight
- LX Sit-Stand Wall Mount System: Extends LCD up to 33" (84 cm) and keyboard up to 42" (107 cm)
- LX Wall Mount System: Extends LCD up to 25" (64 cm) and keyboard up to 35" (89 cm)
- Passes Ergotron's 10,000-cycle motion test
- Includes 10-year warranty

ULTIMATE FUNCTIONALITY IN A COMPLETE
AND COMPACT WALL MOUNT SYSTEM!

Constant Force™

Ergotron's LX Wall Mount Systems offer healthcare professionals a fully integrated solution that accommodates a monitor, keyboard and CPU—all on a single, secure wall track. The two independent arms adjust effortlessly so caregivers can experience ergonomic comfort while viewing and entering data. Most important, its total flexibility helps enhance personal interaction between caregivers and their patients.

When not in use, the entire system folds up tight—just inches from the wall—making it ideal for tight spaces or areas with high traffic. Our sit-stand model provides added height adjustment, so users can choose to sit and stand throughout the day for a healthier way to work.

Our sit-stand model provides added height adjustment, so users can choose to sit and stand throughout the day for a healthier way to work.

LX Sit-Stand Wall Mount System & LX Wall Mount System

LX Sit-Stand Wall Mount System: Keyboard folds to within 6.8" (17,3 cm) of wall in storage position; LCD arm folds back to a depth of 5.5" (14 cm)
