

## Active holder for fixed installation

With USB-C cable. 2 USB ports Type-A and Type-C. With tilt swivel.

Item no: 727459

EAN Number: 7320287274592

Charging holder with hard-wired power supply for a discreet, neat installation without cables hanging over the interior! Keeps your battery fully charged at all times and your device in an upright position for better reception. Provides for safer driving when viewing, accessing and operating your device in your vehicle. Custom made design with a perfect, firm fit.

Charging via USB-C connector enables for quick charging. The charging box has two USB ports: Type-A (free for power supply of additional device) and Type-C (connected to the holder). 12/24Volt.

The holder is equipped with a tilt swivel so you can easily adjust the angle for better viewing, or switch between portrait and landscape mode. Tilts 17° and swivels 360°. Mounting plate 42x50 mm with 4 mm AMPS-holes. Made of high grade black ABS/Acetal plastic. Made in Sweden. For easy and optimal installation, attach the holder onto a custom ProClip Vehicle Mount, a Pedestal Mount or attach it directly to any surface.

### Fits the following models:

Samsung Galaxy A36
