## Privacy Filter 61cm/24"

Article number: 4061487

Privacy screens lower the risk of people reading over your shoulder and seeing your confidential information. On-the-go or in the office, there's now no need to change the way you sit just to stop prying eyes. Micro-louver technology smoothly transitions to a darkened the screen, making it impossible to see text or images from the side. Privacy screens also protect your display from dirt, scratches, and fingerprints.
