

# Nokia 3.4

More phone. More power.

## Key features:

Benefit from a strong performance upgrade with the new Nokia 3.4. Maximise both your work and entertainment on a 6.39" HD+ punch-hole display giving you more screen space than before. Make the most out of the signature two-day battery life<sup>1</sup> and get the perfect shot with powerful triple camera AI imaging – take photos to the next level with Portrait mode, Night mode, and an ultra-wide camera.

## Power in your hands.

Step up your game with the newest Qualcomm® Snapdragon™ 460 mobile platform for up to a 70% performance upgrade<sup>2</sup> compared to previous generations. Do more and charge less with 2-day battery life.

## Binge bigger.

Maximise your streaming and work on a 6.39" HD+ punch-hole display that gives you even more screen space. Entertainment just got bigger.

## Superpowered pics.

Get the perfect shot with triple camera AI imaging, Portrait mode, Night mode and ultra-wide lens.

## Design with strong Finnish roots.

Looks good. Feels solid. The 3D nano-textured rear cover sits securely in your hand and has a stunning finish of vibrant, living colours. Plus, the fully recyclable diecast metal chassis and almost seamless durable structure give your phone strength and style.

## Ready for what's next – Android™ 11 and beyond.

Stay on the cutting edge of security and the latest features for years to come with our Android promise.

## Nokia 3.4 sales package includes:

- Nokia 3.4 device
- "Quick Start" guide
- Charger (5V/1A)
- Type-C USB cable
- SIM tray tool
