

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

Extension USB 2.0 A/m-A/f, Black

Article number: see below

USB 2.0 high-speed cables have been developed for high-performance data transfers. Optimum shielding and allocation of the wires allow for transfer rates up to 480 Mbps. Different colours make it easy to get the usual cable clutter under control.

- Data transfer rates up to 480 Mbit/s
- USB 2.0 high-speed cable
- AWG 24 + AWG 28 wire gauge
- Data transfer rate up to 480 Mbps
- Extension cable for added range
- Connect printers, storage and other USB devices
