

ESSENTIAL

## HD Ready - Stream what you love

## SMART TV

## 32A4K

### HD Ready

Enjoy movies and HD television in HD Ready resolution of 1366 x 768 pixels.

### Triple Tuner

Thanks to the triple tuner, TV programmes can be received via antenna, cable or satellite. Motion Picture Enhancer technology reduces motion blur and improves the picture especially during fast sports scenes.

### Media player for music, photos and videos

Whether showing holiday photos or play party music on the TV - the A4 series with USB connection and media player supports it all.

### Easy operation thanks to VIDAA

The customisable user interface VIDAA allows to arrange apps individually. More flexibility, more individuality and faster response times. With VIDAA Free, free content can also be accessed at a glance.
