USB to PS/2 Converter
No.: 42651

Converts a USB port into two PS/2 ports

Description
- Connects any PS/2 device like mouse, keyboard, KVM switch or barcode scanner
- Plug and Play installation
- Compatible with USB Type A equipped computers
- USB bus-powered
- 2 year warranty

The Lindy USB to PS/2 Converter allows the user to connect two PS/2 peripherals to a USB Type A equipped computer. Two 6 Pin Mini DIN ports make connection of various devices like mice, keyboards, barcode scanners or KVM switches possible.

The converter is powered by the USB Bus, an external power supply is not necessary. With 'Plug and Play' installation, no drivers are required, therefore it can be installed with minimum difficulty.
