

N17 Dual Headed Keyed Lock for Dell Devices

Dell SKU 461-AAFE

Double the Security at Your Desk The N17 Keyed Dual Head Laptop Lock allows you to secure a Dell 2017 Latitude featuring wedge slot, along with a secondary device that features the industry-standard Kensington Security Slot™. The 5mm Keying System with anti-pick technology allows you to use the same key for both lock heads A carbon steel cable deters cutting attempts.

Features

- Primary lock head using a unique lock engagement offers the toughest security for Dell laptops and tablets with a non-standard lock slot
- Secondary lock head with T-Bar Locking Technology offers unparalleled strength for devices featuring the industry standard Kensington Security Slot
- 5mm Keying System featuring patented anti-pick Hidden Pin™ Technology is compatible for custom solutions across different styles of Kensington locks
- Carbon steel cable is cut-resistant and anchors to desk, table or any fixed structure
- Pivot and rotate cable provides superior laptop engagement
- Independently verified and tested for industry-leading standards in torque/pull, foreign implements, lock lifecycle, corrosion, key strength and other environmental conditions
- Register & Retrieve™ program allows you to order replacement keys

Note

- N17 dual head lock has T-bar lock head for Dell displays, docks, projectors, external hard drives and a second lock head for 2017 Latitudes featuring wedge slot
