

Perfect for in the office or on the road!

R-Go Steel Travel & Office Laptop stand

To create your own healthy workplace.

Stimulates an upright posture

These ergonomic laptop stands bring your laptop to eye level. This way you sit upright in front of your screen and prevent annoying pain in your neck and back.

Social product

This product is assembled in a social workshop where people with a distance to the labor market are given a chance to use their talents.

Foldable

The Steel laptop stands are foldable and therefore easy to take with you. So you can work healthily anywhere!

Solid, industrial design
Unique industrial design made in Holland.

Stable, steel stand for all laptop sizes

It is made entirely of steel, has a weight capacity of 11.0 lb (5 kg) and is suitable for all laptops from 10 to 22 inch.

Foldable laptop stand

The Travel laptop stand is foldable and therefore easy to take with you.

Healthy laptop use

Create an ergonomic workplace anywhere

Laptops are ideal for working anywhere. Unfortunately, they provoke a hunched posture. It is precisely this posture that is very stressful for the neck and shoulders. With the R-Go Steel laptop stands you can work in an upright posture so you can work healthily everywhere.

Because these laptop stands are foldable, they are the perfect laptop stands for when you're on the road a lot. Because they are foldable, they fit easily into your bag and you can use them anywhere.

Social product

The R-Go Steel laptop stands are made in collaboration with **Avres**. This organization gives people with a distance to the labour market a chance to work and use their talents to contribute. When you purchase an R-Go Steel laptop stand, you are supporting the wonderful work of Avres. This is one of the reasons why we have become a **Bcorp**.
