

Nokia G11

Designed to go further with three-day battery life.

Key features:

The Nokia G11 has great performance, three-day battery life¹ and a bigger, more fluid screen, so you will be able to watch back all the family fun for even longer and in even more stunning detail. With fingerprint, face unlock and a 30-day trial of ExpressVPN everything is safe.

Make family time a longer time.

With the Nokia G11, you'll be able to enjoy even more movies and games. It also comes with 18W fast charge capability.

Stay up-to-date and safe.

The Nokia G11 supports two years of OS upgrades and three years of timely security updates, which is double that of devices from rival brands².

A screen big enough for everyone to see.

The Nokia G11's 6.5" screen is large enough for everyone to crowd around. It also comes with a 90Hz refresh rate.

Cameras for every occasion.

The Nokia G11 comes with a fantastic triple-rear camera for beautiful pictures any time of day or night, and a selfie camera.

Make connections, discover opportunities.

Nokia smartphones now come pre-installed with LinkedIn – the world's largest professional network. Discover new opportunities and enhance your career.

Nokia G11 sales package includes:

- Nokia G11 device
- Quick start guide
- USB Type-C cable
- Charger (varies by market)
- Screen protector preinstalled (varies by market)

¹ Based on real life usage test by HMD Global. See more info at www.nokia.com/en_us/phones/nokia-g-11. ² Nokia G21 receives in total 36 security updates from the global launch of the device. Other smart phones in the same price point receive on the average up to 16 security updates during their life cycle. ³ All specifications, features and other product information provided are subject to change without notice. ⁴ Pre-installed system software and apps use a significant part of memory space. ⁵ Battery has limited recharge cycles and battery capacity reduces over time. Eventually the battery may need to be replaced.
