

Wall brackets

00118072 "Professional" FULLMOTION TV Wall Bracket, 165 cm (65"), 400x400,

Highlightstext:

- For the installation of flat screen TVs with a screen size from 81 to 165 cm (32" to 65")
- TÜV-certified safety: exacting stress, stability and functional tests guarantee high quality standards
- With the theft protection device, you can secure the TV using a padlock
- The TV can be hung in the bracket and secured with the fixing bar without any additional tools
- Removal of the fixing bar releases the mechanism and the TV can be removed
- If the TV bracket has been mounted slightly at an angle on the wall, the position of the TV can be corrected by a few degrees horizontally
- Easy-Fix system for simple and fully adjustable orientation of your TV
- Certified for use in public places, such as in hotels or conference rooms

Note for Consumers:

Padlock not included in the extent of delivery.

We recommend using a padlock with a shackle diameter of 4 - 8 mm.

The bracket can only be unlocked and the TV removed if no padlock is attached.

In addition to the varied installation accessories supplied, we also recommend the following tools for the installation process: drill, pencil, screwdriver, power screwdriver, measuring tape, spirit level.

The dowels and screws supplied with this TV wall bracket are only suitable for concrete and solid brick walls. Please check your wall before commencing installation. If the wall is made of any other material, please source suitable dowels and screws from a specialist retailer.
