

Delock USB 3.0 PCI Express Card with 4 x external Type-A female

Description

The PCI Express card by Delock expands a PC by four external USB 3.0 ports. Different USB devices, such as docking stations, card readers, external enclosures etc., can be connected to the card.

Delock USB 3.0 PCIe Card with Mac support

The card does not need an additional power supply and is therefore suitable for Mac too. The power is supplied exclusively via the PCI Express interface by 5 watt per port.
