

USB CHARGING DOCK STATION – 5 PORTS

PRODUCT

Height	31 mm
Depth	152 mm
Width	94 mm

TECHNICAL DATA

INPUT POWER:

AC 100-240V x 50 / 60Hz 2.8A
max

COMPATIBILITY

Tablets, smartphones and any
mobile devices with USB cable

PRODUCT

Smart Charging Station for
iPads/Tablets and Smartphones

WARRANTY

1 year

COLOR

White

SKU: 5PUSBCDKS-EU

PRODUCT

Secured Application: Multi-protection safety system ensures complete protection against short circuit, overheating, overvoltage, overcharging, overcurrent, etc.

Efficiency: By using synchronization technology to exploit electrical energy, the conversion rate of electrical energy reaches up to 88%, which causes less unnecessary heat and is more environmentally friendly.

Compatibility: With this USB and USB-C charger, you can charge any digital device that comes with a USB cable. The charging station detects the device and automatically adjusts to the correct voltage.

Functionality: This device can charge up to 5 mobile phones or tablets at a time. Each slot is 15 mm thick. Strong input power, single port 5V/2.4A 5-port output power up to 150W.

FUNCTIONS

CHARGING DOCK STATION

- 5 USB ports
- Cooling Fan
- Multi-protection safety system
- High Efficiency Electric rectification
