BOOST↑CHARGE™

Dual Wireless Charging Pads 10W

Product Benefits

1. Dual 10W pads allow you to charge two devices at the same time, so it's perfect for shared rooms like the kitchen or office.
2. Spend less time charging with optimized fast wireless charging for Samsung and iPhone.
3. Just lay your phone onto the pad and go for a charge, no fumbling with cables.
4. Case compatibility simplifies charging with no need to remove lightweight plastic cases up to 3mm.
5. Qi certified so you are always getting a safe and compatible charge.
6. An extended 2-year warranty provides peace of mind.
7. You'll always know charging status with an LED light and foreign object detection.
8. Non-slip surface helps keep your phone in place and safely charging.
9. Included charging cable and wall charger provide consistent and optimal power to the wireless charging pads right out of the box.

The Belkin BOOST↑CHARGE Family

A collection of wireless chargers finely tuned to deliver fast, efficient, and safe charging to Qi-enabled devices without the clutter of cables. Optimized to protect phone functionality while charging, and elegantly designed for seamless integration to any environment.
