

## CONNECT→ Thunderbolt™ 4 Cable

Plug into the latest in Thunderbolt technology with our Thunderbolt 4 Cable. Get maximum performance that rivals all other USB Type-C® cables, delivering simultaneous data transfer speeds of 40Gbps, high-definition video, and power delivery up to 100W—all through a single cable. Plus, it's backward-compatible with Thunderbolt 3, USB 3.2, and USB2.0. Available in 1- and 2-meter lengths.

### Product Benefits

- Latest Thunderbolt technology supports Power Delivery 3.0 up to 100W, delivering a powerful charge for laptops, tablets, smartphones, and more
- Ultra-fast data transfer speeds of up to 40Gbps, twice the speed of USB 3.2 and 8 times the speed of the original USB 3.0 standard
- Backward-compatible and supports the max speed of previous cables and interfaces, including USB 3.2, USB 2.0, and Thunderbolt 3
- Increased bandwidth allows simultaneous power, data, and video for an improved quality display and data transfer speeds while you charge through a single cable
- Supports more protocols including DisplayPort™ and PCI Express
- Thunderbolt 4 certified and USB4 compliant
- Reversible USB Type-C connector lets you plug in your device in any direction, so you never have to worry about plugging in your cable incorrectly
- Supports UHD display resolutions up to 8K

### Package Includes

- (for INZ002bt2MBK) 6.6 ft./2m Thunderbolt 4 Cable (active)
- (for INZ003bt1MBK) 3.3 ft./1m Thunderbolt 4 Cable (passive)

### Compatibility

Compatible with Thunderbolt and USB-C® enabled laptops, smartphones, tablets, and hard drives

Thunderbolt 4 certified

USB4 compliant

Backward-compatible with USB 3.2, USB 2.0, and Thunderbolt 3

### Technical Specifications

- (for INZ002bt2MBK) 6.6 ft./2m Active Cable
- (for INZ003bt1MBK) 3.3 ft./1m Passive Cable
- Supports Power Delivery 3.0 up to 100W

## CONNECT→ Thunderbolt™ 4 Cable

### The Belkin CONNECT Family

CONNECT products are all about making connections. From cables that charge and share data, to docks that bring devices together for a more streamlined experience, CONNECT delivers data in the most efficient way possible, while maintaining the highest levels of quality. The very first product Belkin released to market was a cable, and we are proud to say that making connections has been an essential part of our story ever since.

### The Belkin CONNECT Family Characteristics

- Delivering power to charge
- Supports fast data transfer
- Certified by relevant bodies for compatibility
- Durable to withstand repeated use
- Stringently tested to ensure a safe, reliable connection

### The Belkin Difference

- Pioneer in innovation and technology for over 35 years
- Innovative solutions designed to suit both professional and at-home users
- Rigorously tested to ensure safe connection for users and devices
