

## USB Cable

00201601 Charging Cable, USB-C - Lightning, 0.2 m, Nylon, black

### Highlightstext:

- Long-lasting USB cable for charging and synchronising smartphones and tablets
- High-quality, quick charging cable: in combination with a quick charger, you can charge your mobile phone at top speed
- Maximum compatibility for all Apple iPhones, iPads and iPods
- Braided Nylon cable sheath: hard-wearing, easy to wind up, no tangled cables
- Flexible and at the same time extremely resilient materials for improved kink protection against cable breakage
- Particularly stable aluminium connectors with special strain relief prevent bending or breaking of the connections
- Data cable with a speed of up to 480 Mbit/s for high-speed data transmission
- Gold-plated plugs with low contact resistance for secure signal transmission

### Note for Consumers:

MFI products are licensed by Apple and suitable for connecting to an iPhone, iPad and iPod. Apple requires high quality standards and verifies these standards before the products' market launch.

The advantages of the fast charging function can only be used in combination with a suitable power delivery (PD) charger.

Please consult the your device's operating instructions, the manufacturer's website or the Internet to determine whether your Apple device supports the fast charging function via Power Delivery (PD).

### Technical characteristics:

- Colour: Black
- Product Division: Mobile Phone
- Shade of colour: Black
- Connection: Lightning connector, USB-C-plug
- USB Standard: USB 2.0
- Max. Data Transfer Rate: 480 Mbit/s
- Max. Electricity Transmission: 3 A
- Material: Nylon
- Special Feature: Gold-Plated
- Length: 0.2 m
- Licensed for: Apple iPhone / iPad / iPod
- Licensed from / by: Apple
- Recommended Use: Mobile Phone
- Usage: Mobile Phone

### Delivery:

- 1 USB charging cable
