

BOOST↑CHARGE™ PRO

Dual USB-C® GaN Wall Charger with PPS 45W

Fast charge an iPad Pro and an iPhone 13 at the same time with our powerful, ultra-compact Dual USB-C GaN Wall Charger with PPS 45W. It's engineered with the latest USB-C PD 3.0 and PPS charging technologies, delivering a fast and safe charge to both Apple and Samsung devices. It's also compatible with a Nintendo Switch, iPad, and other devices. This dual USB-C fast charger is engineered with the latest in GaN technology, giving you a more compact, cooler and higher-powered charger. Access up to 45W of power when using a single port for higher consumption devices or get up to 25W of power from the top port and up to 20W from the bottom port when using both. This powerful charger easily fits in a pocket or a bag, making it the ideal charger for traveling both short and long distances.

Product Benefits

- Powerful 45W GaN charger delivers:
 - 45W of power to charge a MacBook or other USB-C laptop when using one USB-C port
 - 25W of power from the top USB-C port (for an iPad, Samsung or other compatible device) and 20W of power from the bottom USB-C port (for iPhone, Samsung) when using both ports
- Fast charge an iPhone 13 from 0–50% in 28 minutes[†] and a Samsung Galaxy S21+ from 0–50% in 27 minutes[‡] at the same time
- Temperature and overcurrent protection provides a safe, powerful and efficient charge to your device
- Dual wall charger allows you to charge an iPad, MacBook or other laptop while you fast charge an iPhone, Galaxy or other compatible device at the same time
- USB-C PD 3.0 plus PPS charging technologies deliver a powerful and safe charge to more devices, up to 20W for an iPhone 12 and up to 25W for select Samsung devices*
- Comes with a \$2,500 Connected Equipment Warranty and a 2-year warranty

Package Includes

- Dual GaN Wall Charger with PPS

Technical Specifications

- US:
L: 1.6 in./40.6mm, W: 1.5 in./39mm, H: 1.8 in./46mm
- UK:
L: 1.8 in./46mm, W: 2 in./50mm, H: 1.9 in./47mm
- EU:
L: 1.6 in./40.6mm, W: 1.5 in./39mm, H: 2.5 in./63.4mm

BOOST↑CHARGE™ PRO

Dual USB-C® GaN Wall Charger with PPS 45W

The Belkin BOOST↑CHARGE Family

A family of power products with fast charging in their DNA. Designed to integrate seamlessly to any environment to deliver fast, safe power at home, in the car, or on the go. Smart circuitry detects the connected device to deliver optimal charging, while universal charging protocols such as USB-A, Lightning connectors, and USB-C offer widespread compatibility.

The Belkin BOOST↑CHARGE Family Characteristics

- Faster charging than standard 5W
- Widespread compatibility
- Portability
- Smart circuitry detects connected devices to deliver optimal charging
- Certified by relevant bodies for compatibility (examples include USB-IF, MFi)
- Connected Equipment Warranty up to \$2,500

The Belkin Difference

- Pioneer in innovation and technology for over 35 years
- Rigorously tested to ensure lasting quality
- Premium quality materials and thoughtful design details

Standalone:
WCH01myWH, WCH011myBK
