

InstaShow® WDC15

Driver-Free 4K UHD Wireless Presentation System

Designed for huddle and small meeting rooms, WDC15 enables instant plug-and-play wireless presentations—no apps, drivers, or network setup required. Presenters—even guests—can access professional-grade presentations with a tap.

No App Download Required

No software or app required—just plug in and instantly share content during your meeting.

No Driver Needed

No drivers needed—just plug in and share your screen instantly during meetings.

*Supports Windows, macOS, Linux, or ChromeOS systems.

No Network Setup Required

No complex network setup or IT help needed. Receiver and button pair automatically—just plug and play to start presenting instantly.
