

**HAPRO MANUAL CLASSIC**

- Professional quality, crank operated projection screen with a wide selection of aspect ratios and screen surfaces.
- The long crank handle makes it easy to operate the crank mechanism if the screen is mounted to the ceiling.
- Easy to mount onto a wall or ceiling thanks to the Easy Install system.
- The case and the projection screen surface can be made to exactly the right size and the case and slat bar are available in any colour for optimal integration into any interior.
- The automatic stop employed when extending and retracting the projection screen surface guarantees a long life span.
- Aluminium crank with a folding handle which is 165 cm long. The crank is 268 cm long for screen widths of 240 cm or more.
- The triangular slat bar retracts into the case for a clean finish.
