00221820 "Spirit Touch" Bluetooth® Headphones, TWS, ANC, with Display, In-Ear, black

Highlightstext:

- Versatile Bluetooth headphones with ANC and display on case: music control and practical additional functions, without taking the mobile phone out of a pocket - ideal for travel
- Intuitive touch display: control music, settings and practical additional functions directly on the charging case - quickly, easily and without having to pick up your mobile phone
- Indoors, outdoors or on public transport: the active noise cancelling headphones with their in-ear design passively and actively in 3 stages screen out noise - with Commuting, Indoor and Outdoor ANC
- When listening to music, don't miss the important announcements: if necessary, listen to ambient sounds at reduced volume, while vocal transparency mode only allows voices through, e.g. announcements on the train
- Improved voice quality when making calls: the Bluetooth headset with ENC noise cancellation filters out disturbing ambient noise directly at the microphone - so your voice comes through crystal clear
- Thanks to the integrated microphone you can easily switch between music playback and call answer. So you will no longer miss a call when listening to music.
- Supports the voice assistants Siri and Google Assistant: Bluetooth pairing and touch control allow direct access - without having to hold the smartphone
- Wireless headphones with even more sound: Equaliser with 5 different sound effects perfectly showcases your favourite sound
- Reduced to the only thing that matters: comfortable in-ear headphones without tangling cables for even more freedom
- The perfect fit for your ear: the Bluetooth headphones with their in-ear design and silicone ear tip fit securely and comfortably in any ear
- The ideal fit for every ear: the two silicone attachments in two sizes make the earplugs suitable for larger and smaller ears
- Touch control: the touch sensor allows intuitive operation without having to take your mobile phone out of your pocket, e.g. music playback (Play/Pause), take/make/reject calls
- Mobile charging box: fully charge the batteries from the Bluetooth headphones up to 3 times while out and about
- Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
- Useful additional functions on the charging box's touch display: e.g. Play/Pause, next/previous track, volume control, camera release, set alarm, find earphones, torch
- Up to 20 h of music time (ANC off): up to 5 with fully charged earbuds, +15 h with recharging in the charging cradle
- Up to 16 h of talk time (ANC off): up to 4 h with fully charged earbuds, + 12 h with recharging in the charging cradle
- Up to 16 h of music time/talk time (ANC on): up to 4 h with fully charged earbuds, + 12 h with recharging in the charging cradle
- With USB-C charging box: this means that the earbuds can be recharged up to 3x while out and about - thanks to the integrated rechargeable battery without external power supply
- Integrated telephony function with call pick-up and microphone for smartphones
- Remote function for controlling music (Pause/Play/Forward/Rewind), if supported by the telephone
- Always informed: the display on the charging case indicates whether the headphones are fully charged, are currently charging or the battery level is low
- The cleverly designed charging contacts of the TWS headphones prevent almost all dirt from adhering to them, so there is no impairment of charging
