

## Bluetooth Speaker

00188202 "Pipe 3.0" Bluetooth® Loudspeaker Waterproof IPX5, 10 Light Modes, 24W, blk

### Highlightstext:

- Handy party speaker for the perfect moment: the portable Bluetooth speaker is waterproof and ensures the perfect music enjoyment and party mood anywhere and any time with your mobile phone, tablet or laptop, indoors or outdoors, with LED light show
- This portable loudspeaker has it all: 24 Watts of music power and outstanding stereo sound ensure the perfect musical accompaniment to creative working or the party mood
- Harmony of sound and light: The RGB-LED illumination in 10 different modes can be changed to match the music or ambience, or simply used as a discreet light source outside - with various colours and dynamic colour transitions, with and without colour changes
- Music box with bass at the press of a button: Equaliser with three different sound effects for additional bass, accentuated trebles or balanced sound, switch really easily with a touch
- Easy and convenient operation: high-quality LED touch display for rapid control of next/previous track, Play/Pause and changes in equaliser mode
- Works as an outdoor speaker in the garden too: all-round protection against splashes and jets of water to IPX5 to protect against moisture and dirt
- Good beats on bike tours too: the perfect Bluetooth sound box for life on the go is not only waterproof, but also fits perfectly in the bottle holder on the bike, ensuring it's always in reach
- With the integrated hands-free system, making phone calls in HD quality is very easy
- Enjoy your favourite songs for a long time: the loudspeaker can be used via Bluetooth for up to 14 hours
- Full mobility thanks to battery operation with LED charging indicator: fast charging within 3 hours with USB-C interface
- Pair the loudspeaker thanks to True Wireless Stereo (TWS) - connect two loudspeakers via Bluetooth and position them anywhere in the room for true stereo sound
- With 2 small boxes to create a wireless sound system: connect 2 devices via True Wireless Stereo (TWS) Bluetooth and enjoy films, series and gaming even more
- Use the portable box anywhere around the home: from the kitchen and bedroom to the bathroom, roof terrace or garage, with no trailing wires
- Indoor and outdoor speaker: mobile music box for mobile phones, simply take it along with you on trips out or when swimming. Thanks to IPX5 splash protection, dirt, spray and splashing water cannot harm the waterproof loudspeaker
- Built-in microphone for maximum flexibility, e.g. as a desktop loudspeaker for long online meetings and video calls
- Universal in use thanks to Bluetooth 5.0: simply connect the loudspeaker to a compatible device, from notebooks and TV sets to smartphones
- Can also be used with jack plugs: connect via the AUX-in cable and spare the battery, ideal for use as a PC loudspeaker thanks to particularly stable connection
- Charge via USB-C: the cable for rapid charging is included
- Light effects on demand: illumination on the sound box can be deactivated
- Intuitive control dial: full control over the volume
- Practical handle and ideal for storage: always safely stored thanks to the stable carrying loop
- Great sounds in a compact format: the Bluetooth box fits in a case and is easy to transport, ideal too for use in cars, campers and mobile homes
