

 Product made with recycled plastic⁺
100% plastic-free packaging

BoostCharge

3-in-1 Convertible Magnetic Charging Stand

Wirelessly fast charge up to three devices simultaneously (iPhone, select wireless phones with Qi2, AirPods or Apple Watch) using Qi2 or MagSafe. Charge your iPhone up to 15W in portrait or landscape mode, and your Apple Watch Series Ultra 1 and 2. Compact design is lightweight and foldable, perfect for home use or on the go.

Product Benefits

- One charger for all Apple essentials: Fast charge iPhone up to 2x faster⁺ with 15W using Qi2 (MagSafe compatible), charge Apple Watch Series Ultra 1 and 2, and charge AirPods
- Charge up to three devices simultaneously (iPhone, Apple Watch or AirPods)
- Enjoy new Qi2 technology and MagSafe compatibility for magnetic adaptive charging
- Compact, convertible form factor designed for travel: foldable, lightweight and portable
- Versatile stand adapts to your charging needs: ability to charge iPhone in landscape mode to support StandBy ready and hands-free streaming
- Longer lasting and quality materials protect the phone while in use
- Keep your case on while charging and charge right out of the box
- Protected by a 2-year \$2,500 Belkin Connected Equipment Warranty. If your device is damaged by an electrical charge while properly connected to the pad, Belkin will repair or replace it up to a value of \$2,500US/AU/€2,000/£1,500.
- 100% plastic-free packaging

BoostCharge

3-in-1 Convertible Magnetic Charging Stand

The Belkin BoostCharge Family

A family of power products with fast charging in their DNA. Designed to integrate seamlessly into any environment to deliver fast, safe power at home, in the car or on the go. Smart circuitry detects the connected device to deliver optimal charging, while universal charging protocols such as USB-A, Lightning connectors and USB-C offer widespread compatibility.

The Belkin BoostCharge Family Characteristics

- Faster charging than standard 5W
- Widespread compatibility
- Portability
- Smart circuitry detects connected devices to deliver optimal charging
- Certified by relevant bodies for compatibility (examples include USB-IF, MFi)
- Connected Equipment Warranty up to \$2,500

*Belkin has sold over 1 billion products globally since 2000.

*Housing (excluding cable, power supply and silicone components) is made of a minimum of 75% post-consumer recycled plastic.

*Based on internal testing. Belkin Qi2 15W wireless charger charges iPhone 15 from 0-50% up to 2x faster than a Qi 5W wireless charger and up to 1.5x faster than a Qi 7.5W wireless charger. Charge time varies with environmental factors; results may vary.

Use of the Made for Apple badge means that an accessory has been designed to connect specifically to the Apple product(s) identified in the badge and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with an Apple product may affect wireless performance.
