Fast 30W USB-C charging with a built-in cable and 10K mAh capacity for everyday power on the go.

Fast 30W USB-C Charging

Deliver fast, reliable charging with up to 30W USB-C Power Delivery. Quickly power your phone, tablet, and other USB-C devices when you need it most.

Real-Time Battery Display

Stay in control with a clear digital display that shows your remaining battery percentage, so you always know when it's time to recharge.

Built-In USB-C Cable

Always ready when you are. The integrated USB-C cable removes the need to carry extra cables, making charging simple and convenient wherever you go. It also doubles as a carry loop for added portability.

Charge Multiple Devices

Charge up to three devices at once using the built-in USB-C cable, USB-C port, and USB-A port, making it easy to keep your everyday devices charged from a single power source.

10,000mAh Battery Capacity

Keep your devices powered throughout the day with a 10,000mAh (36Wh) capacity, giving you reliable power wherever you are, and meeting airline carry-on requirements for travel.

USB-C Input and Output

Recharge the power bank and charge your devices using USB-C, with support for 30W Power Delivery through both the USB-C port and built-in cable.
