

Power Extension Cable

00223243 Extension Cable with Earthed Contact, Flat Plug, for Indoors, 5 m, white

Highlightstext:

- Power cable extension, ideal if the power source is too far away and the electrical device needs to stay in one place
- without use of force: the fold-out handle makes unplugging the flat plug from the socket easier
- Space-saving and well-designed flat plug for hard-to-access places, e.g. behind cabinets
- Moulded plugs ensure high mechanical resilience and strain relief
- With increased touch protection to avoid accidental contact
- Angled plug with a height of just approx. 9 mm
- Virtually flush connection with the wall socket, producing just a small distance between the furniture and the wall
- Strain relief and kink protection on the plug protect against cable breakage

Technical characteristics:

- Colour: White
- Shade of colour: White
- Connection: Plug with Earth Contact, Socket with Earth Contact
- Maximum Connected Load: 3680 W
- Type of Cable: H05VV-F3G1,5
- Number of Wires: 3
- Length: 5 m
- Wire Cross-Section: 1.5 mm²

Delivery:

- 1 extension cable
