

## 2 m (6.6 ft.) Premium High Speed HDMI Cable with Ethernet - 4K 60Hz

Product ID: RHDMM2MP

This High Speed HDMI Cable with Ethernet withstands the daily demands of connecting your HDMI devices. Tested to endure strenuous wear and tear, the rugged cable is a must-have for both business and consumer applications.

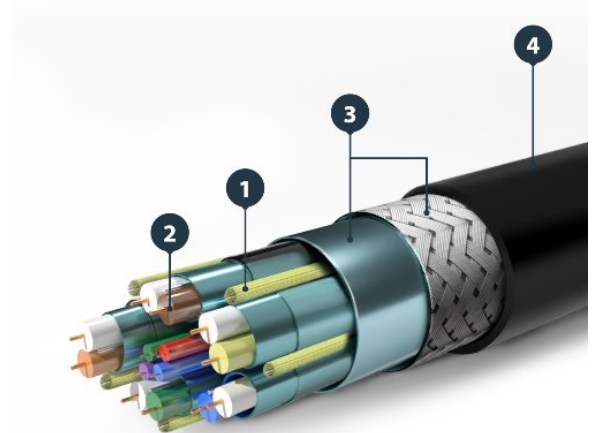

### **Built for Daily Use**

The HDMI Premium Certified cable has aramid fiber reinforcement that braces it from the stress of frequent bends. This also lets the cable flex without over-stretching or damaging the core of the cable.

## Cable Key Features

- 1. Aramid fiber adds strength and durability to the cable
- 2. Insulated conductors reduce friction, provide more flexibility
- 3. EMI protection with aluminum-mylar foil with braided shielding
- 4. TPE cable jacket is more flexible than a standard PVC cable

## Flexible Strain Relief

The cable is constructed to prevent the connector from separating from the jacket. The extra-long strain relief molding is tested to withstand over 10,000+ bend cycles at a 180° angle.

## Connector Key Features

- 1. HDMI gold plated connector with metal shield protects the circuit board from EMI and reinforces the connection point
- 2. Strain relief tested to tolerate over 10,000+ bend cycles at a 180° angle

Supporting all HDMI 2.0 specifications, this HDMI Premium Certified cable supports resolutions up to 4K 60Hz with a bandwidth of up to 18Gbps. The HDMI cable also supports HDR for higher contrast ratio and vivid colors providing an enriched and enjoyable viewing experience.

RHDM2MP is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Note: DuPont™ and Kevlar® are trademarks or registered trademarks of E.I. du Pont de Nemours and Company.

### Certifications, Reports and Compatibility

### Applications

- Connect 4K/Ultra HD displays and devices

### Features

- Connect your monitors using a certified HDMI cable built to withstand daily use
- Durable HDMI cable is reinforced with Kevlar aramid fiber for increased tensile strength that is 5x stronger than steel
- Extended strain relief tested to tolerate over 10,000+ bend cycles at 180° angle
- With a soft TPE jacket, it provides flexible connections with this 2-meter HDMI cable
- Supports all HDMI 2.0 specifications for an enjoyable viewing experience

<b>Hardware</b>	Warranty	Lifetime
	Cable Jacket Type	PVC - Polyvinyl Chloride
	Cable Shield Type	Aluminum-Mylar Foil with Braid
	Connector Plating	Gold
<b>Performance</b>	Audio Specifications	Up to 32 audio channels with 1536Hz sampling rate
<b>Connector(s)</b>	Connector A	1 - HDMI (19 pin) Male
		1 - HDMI (19 pin) Male
<b>Physical Characteristics</b>	Cable Length	2 m [6.6 ft]
	Color	Black
	Connector Style	Straight
	Product Height	7.000
	Product Length	2 m [6.6 ft]
	Product Width	17.000
	Weight of Product	56.000
	Wire Gauge	30 AWG
<b>Packaging Information</b>	Package Height	205.000
	Package Length	150.000
	Package Width	20.000
	Shipping (Package) Weight	0.1 kg [0.1 lb]
<b>What's in the Box</b>	Included in Package	1 - HDMI Cable
