

Smart Skin 14-14.1

Neoprene sleeve with handles

Smart Skin provides practical and lightweight protection for your notebook. Made of robust and particularly flexible neoprene it fits snugly around your notebook like a second skin. The lining made from Nylex, a soft polyester fabric, keeps your notebooks safe from scratches.

On the front there is a zip pocket with room for your accessories. Smart Skin has padded handles for your comfort when carrying, but the handles are slim enough to not add any bulk on the occasions you want to put the sleeve inside another bag.
