

OPTIPLEX

5400 All-in-One

Intelligent 24" all-in one built
for business collaboration
and connectivity

DELL Technologies

5400 All-in-One

Technology that revolves around you

The most intelligent business PC in its class with Dell Optimizer built-in Artificial Intelligence, plus plenty of smart collaboration features

• • •

The power to do more

Up to 12th Gen Intel® Core™ i7 65W processors deliver business-class performance while minimizing security risks¹. Now available with Intel® vPro® Essentials for remote management across multiple terminals

• • •

Wi-Fi6E option

Future-proof your IT with the industry's fastest speeds³

• • •

Smart connections

Native USB 3.2 Type C Gen 2 (10GB), and USB Type A 3.2 Gen 1 & 2 (5GB & 10GB)

• • •

Communicate clearly

Dual mic array and mainstream speaker with Intelligent Audio makes smart adjustments for better collaboration

• • •

Look your best even in low light

New webcam features Temporal Noise Reduction (TNR) and Wide Dynamic Range (WDR) so you can put your best face forward while video conferencing.

Work comfortably all day

Large FHD touch or non-touch display with new LBL (Low Blue Light) capability

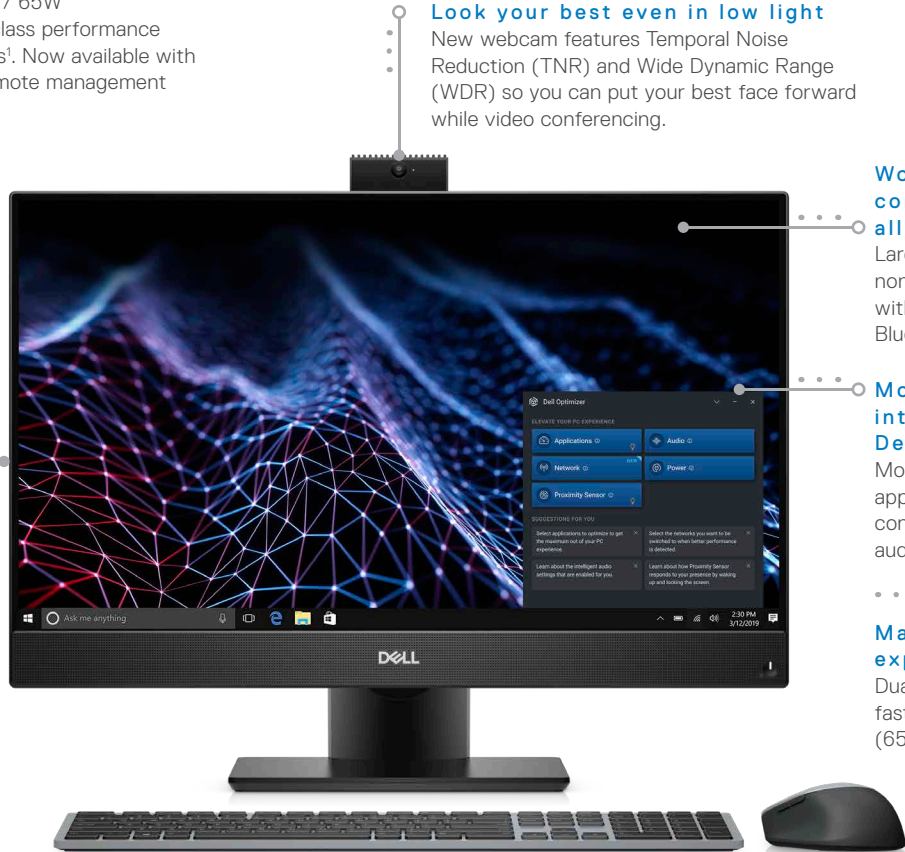

Most intelligent with Dell Optimizer²

More intuitive app performance, connectivity and audio experiences

• • •

Maximum expandability

Dual SSD option for fast, reliable storage (65W only)

• • •

Most sustainable OptiPlex ever

With up to 60% recycled materials,⁴ EPEAT Gold and ENERGY STAR qualified on select configurations

• • •

Our greatest breadth of custom accessories

including matching InfinityEdge FHD displays and wireless accessories

5400 All-in-One

Sustainability on OptiPlex

OptiPlex is a leading platform for sustainable innovation and utilizes the most recycled content of all Dell PCs with up to 60% recycled plastic and closed-loop materials in its design.

Design

1st

OptiPlex was the first Dell product made with recycled materials in 2007.⁵

Sustainable Materials

60%

OptiPlex desktops contain up to 60% recycled and closed-loop materials.

Packaging Innovation

87%

87% of Dell's packaging is made from recycled or renewable materials.

OPTIPLEX HAS

100+

EPEAT registered products*

40+

TCO certified configurations

8.0

ENERGY STAR® throughout the portfolio

5400 All-in-One

Dell Optimizer

We make it intelligent. You make it yours.

Dell Optimizer revolutionizes the way you work by fueling the world's most intelligent PCs¹¹. It is the only business, AI-based optimization software that learns and responds to the way you work and is designed to automatically improve application performance, audio settings and network connectivity—all in the background while you're working.

Accomplish anything with built-in intelligence that learns and adapts.

Improved performance

ExpressResponse¹² analyzes how you use your preferred apps¹³ to boost performance.

Enhanced audio

Intelligent Audio delivers audio and mic enhancements and reduces background noise using Neural noise cancellation.

Unmatched connectivity

ExpressConnect¹⁴ provides the world's first simultaneous multi-network connection¹⁵ that joins the best network¹⁶ available.

Simplified manageability

Elevate work experience with an easy-to-manage application that provides a seamless experience for both end-users and IT decision-makers.

RECOMMENDED ACCESSORIES FOR HOME OR OFFICE WORKSPACES

DISPLAYS & INPUT DEVICES

Dell 24 Monitor – P2422H

Stay productive no matter where you work with this sleek 23.5" FHD monitor with ComfortView Plus.

Dell Premier Multi-Device Wireless Keyboard and Mouse - KM7321W

Multi-task seamlessly across 3 devices, featuring programmable shortcuts and 36 months battery life.

Dell Slim Conferencing Soundbar - SB522A

Experience clear conferencing and reduced background noise, with this intelligent MS Teams-certified soundbar.

Targus Stylus for Capacitive Touch Devices

This convenient stylus features a durable rubber tip that won't scratch the screen and allows the user to type accurately and comfortably. It requires no power or software to operate and works instantly right out of the box.

PURPOSE-BUILT STANDS

OptiPlex All-in-One Height Adjustable Stand

Raise, tilt, pivot or swivel your All-In-One to enjoy the best view.

OptiPlex All-in-One DVD+/-RW enclosed with Height Adjustable Stand

In this custom Height Adjustable Stand, a DVD+/-RW drive is integrated into the base for optimal convenience.

*EPEAT registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.

1 Final performance benchmarks pending.

2 Based on internal analysis, April 2021. Dell Optimizer available in 2020 devices, not available in OptiPlex 3000 series. Feature availability and functionality varies by model.

3 Available on Windows® 11

4 Based on internal analysis, April 2021

5 Based on internal analysis, April 2021. 20% closed-loop recycled aluminum by weight in the 2TB 3.5" hard drive, optional on the OptiPlex 7090 Tower and 7090 Small Form Factor.

11 Based on internal analysis, April 2021. Dell Optimizer available in 2020 devices, not available in OptiPlex 3000 series, Latitude 3310 2-in-1 and Latitude Chromebook Enterprise. Feature availability and functionality varies by model.

12 ExpressResponse must be enabled in the Applications feature. DO learns how user uses the selected application(s) over several hours. Based on Dell testing using Sysmark 2018 benchmark on a Latitude system running productivity applications; and using performance evaluation benchmarks on Precision mobile workstations running ISV applications, March 2020. Improvement will vary based on product configuration, use, application and other factors.

13 User must input preferred apps first in order for them to be analyzed.

14 ExpressConnect available with Dell Optimizer software version 2.0 and onwards. Download the latest at <https://www.dell.com/support/home>.

15 Simultaneous multi-network connection (or Connection based teaming) is a new connectivity feature under ExpressConnect. It simultaneously sends and receives data and video traffic using two or more wired or wireless connections. Based on Dell internal analysis.

16 Best network selection based on signal strength, channel congestion, router type and others. Network suggestions based on user credentials.

Product Disclosures: page 6-7

1. Offering may vary by region. Some items may be available after product introduction. For complete details, refer to the Technical Guidebook published on www.dell.com/support.

2. System Memory and Graphics: Significant system memory may be used to support graphics, depending on system memory size and other factors.

3. 4GB or Greater System Memory Capability: A 64-bit operating system is required to support 4GB or more of system memory.

4. Particular versions of Microsoft Windows may not support the full Bluetooth 4.2 functionality.

5. Storage Option: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

6. TPM is available in selected regions.

7. Computrace: Not a Dell offer. Certain conditions apply. For full details, see terms and conditions at www.ijackforlaptops.com.

8. Please refer to www.epeat.net for specific country registration rating and participation.

9. Limited Hardware Warranty: For copy of Ltd Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see www.dell.com/warranty.

10. on-site service after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty (www.dell.com/warranty) and not resolved remotely, technician and/or part will be dispatched, usually within 1 business day following completion of Remote Diagnosis. Availability varies. Other conditions apply.

11. Dell Services: Availability and terms of Dell Services vary by region. For more information, visit www.dell.com/servicedescriptions.

12. For complete listing of declarations and certifications, refer to the Dell Regulatory and Environmental Datasheet found in the Manuals section of Product Support information: www.dell.com/support/home/us/en/19.
