

ESSENTIAL

Hisense QLED 4K UHD – Where colors and imagination meet

Hisense
QLED 4K

65E77KQ

Quantum Dot Color

Quantum Dot Color stands for precise contrasts and highest color brilliance. The perfect interplay of the Hi View Engine, based on a Quad Core processor, Ultra Dimming and Quantum Dot technology provides for extended color volume, richness of detail and peak brightness.

Dolby Vision

Dolby Vision is among the highest HDR formats. It amplifies the TV settings, enabling finer details even in dark scenes.

UHD Upscaling

The UHD upscaling technology optimizes even FHD signal to near 4K quality. Instead of simply extrapolate each pixel 4 times, Hisense UHD upscaling Technology analyses the color spectrum Pixels and optimizes the coloring scene for Scene.

TÜV Rheinland – Data Privacy

The safety standards and protection personal data will be respected and complied with.

Easy to use thanks VIDAA

Via the customizable user interface VIDAA allows favorite apps individually arrange and open them at lightning speed. More Flexibility, more individuality and faster reaction time.

Dolby Atmos

Dolby Atmos puts the viewer on one new spatial way into action and fulfills every detail of the sound with extreme clarity and Depth.

Elegant design

The extremely flat design and the ultra-fine metal frames embody the minimalist and noble design. High-quality materials paired with sophisticated technology.

Game Mode Plus

For the gamers among you, the Game Mode Plus pure gaming pleasure. Using ALLM switches the television in conjunction with the Game console automatically into game mode with the lowest latency. Annoying settings you can save money by using the remote control and has full concentration for the game.

Voice assistants

The voice assistants offer maximum convenience with Alexa Built-in or VIDAA Voice. Press the microphone button on the remote and talk.

Technical Data

Model	65E77KQ
Picture and Technology	Hisense QLED 4K UHD - Simply brilliant
Screen Size (diagonal)	65
Screen Size (diagonal) in cm	164
Resolution	Ultra HD 3840x2160
Panel Aspect Ratio	16:9
Refresh Rate	60 Hz
HDR	✓ (HDR10 / HDR10+ decoding / HLG / Dolby Vision)
Local Dimming	-
Wide Color Gamut	✓
Display Technology	Hisense QLED
