

ALL THE TOOLS BUSINESSES NEED TO CREATE, PREPARE, AND SIGN DOCUMENTS

CREATE

50% of knowledge worker's time is spent on activities related to document creation and preparation

Generate 100% industry-standard PDF and PDF/A files, compatible with Adobe Acrobat and over 300+ source file formats:

- Simple PDF creation
- Print to PDF from any application
- Combine/Merge multiple files into one
- Convert PDF to PDF/A and any MS Office format and back again

PREPARE

Only 26% of people from large organizations estimate that PDF editors are widely available to them⁴

Nitro offers a full set of tools to make preparing a documents fast and easy:

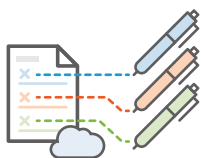

- Intuitive editing and text tools
- Batch process multiple actions on multiple documents at once
- Interactive form fill and creation
- Complete markup and review toolkit
- Transform scanned document or image file into a searchable and editable PDF file with Optical Character Recognition (OCR)

SIGN

Electronic signatures can help reduce document turnaround times by up to 80%⁵

Secure eSignature management with Nitro Cloud greatly reduces document turnaround time, increases visibility and helps accelerate your business:

- Secure, legally binding eSignatures
- In-browser markup and revision tools
- Military-grade security and operations
- Recipients do not require a cloud account
- Real-time alerts and notifications with digital audit trail

CUSTOMER INSIGHTS

“Responsible IT Managers need to take a look at Nitro Pro. Our power users love the ability to convert documents quickly to Excel, Word, etc. And there's no annoying updates like Adobe throws at us.”

IMABEV IT Pro
Manages 251 – 500
Government users

“I purchased Nitro Pro so I could easily create and edit PDF files without having to pay the high price of Adobe's product. It has been an invaluable tool to me and the business.”

Douglas B. Webmaster
Penwood Corp

“Now that we've taken the pain of physically signing paper documents out of the equation, we can close more deals faster. From beginning to end, the whole contract turnaround in Nitro Cloud is probably ten times faster than before, taking just minutes.”

Rossi Khoung Director of Sales
KISSmetrics

Nitro Pro is available in 12 languages including:

English, Dutch, French, German, Italian, Spanish, Brazilian Portuguese, Russian, Finnish, Swedish, Norwegian, and Danish

Nitro offers a suite of different products, **Nitro Pro** and **Nitro Cloud** that when used together provide powerful tools to accelerate the way businesses create, prepare, and sign documents.

Anytime, anywhere. Saving your workforce hours everyday.

TOP DOCUMENT CHALLENGES²

IDC estimates that document challenges are robbing most organizations of almost 21.3% of their overall productivity.³

Create, prepare, and sign

Nitro Pro for creating and preparing on your desktop.

Nitro Cloud for eSignature management online and more.

Designed for Microsoft Office Users

Nitro Pro's ribbon interface is instantly familiar to Office users. Tasks and tools are grouped intuitively and visually, so users can create and prepare and sign documents the same way they work with Word and Excel files.

“The end users fell in love instantly with the easy UI that is built into Nitro. The similarity to Microsoft Office is a plus as well.”

Pat Callahan
Potpourri Group Inc.
