Lenovo V530 AIO

POWER-PACKED SLIM AIO FOR SEAMLESS COMPUTING

The Lenovo V530 AIO is all you need and more — robust, secure, and reliable. See every word and detail of your work clear with the full-HD IPS borderless display, together with the latest Intel® Processors up to Core™ i7 and DDR4 memory, this highly-responsive device boosts productivity. Engineered for energy efficiency, the V530 AIO supports the green work environment and ensures cost saving for your business.

Powerful and Responsive: choose from HDD, SSD, and optional Intel® Optane™ memory that installs and opens applications without delay, finds files quickly, and switches between multiple applications seamlessly.

Excellent Comfort: the Low Blue Light Certification ensures reduced eye strain and increased eye comfort when working for long hours.

Noiseless Surroundings: this All-in-One PC emits less than 22dB in idle mode and less than 25dB in operating mode. It is certified to be quiet so that the user or their working environment is not affected.

Intelligent Security: easily cover the camera by simply pushing the control button to safeguard data, no more using post-its or tapes to cover the camera.

Optimized Workspace: experience a clutter-free workspace with a convenient cable holder in the rear.

ITDM Benefits

- **Powerful:** equipped with the latest Intel® Processors, performance-enhancing memory, and reliable storage technology to empower businesses.
- **Reliable:** reliable devices that operate even in the most challenging environments, thereby, providing good returns on company's investments.
- **Secure:** data security with BIOS-based Smart USB Protection.
- **Easy Management:** simplify IT work by using Lenovo Vantage Tools that not only help manage the health of the system (Lenovo Vantage) but also provide easy access for employees to keep the data safe (Lenovo Business Vantage).
