## EFFICIENCY AND SECURITY IN A SMALL FORM FACTOR

### INTELLIGENT FEATURES

**Powerful Computing:** no matter what your day may throw at you, manage your tasks efficiently with the 11<sup>th</sup> Gen Intel® Core™ i processors enhanced by AI-based technology along with the Intel® Evo™ 3 platform, ensures you are productive every day.

**Keeps up with You:** up to 16GB dual-channel LPDDR4X memory and up to 1TB SSD will implore applications to open, run, and render smoother and faster, allowing you to get more done in your workday.

**Connect to the World Faster:** connect to the Internet quicker regardless of how crowded the network is, and download and upload files in the blink of an eye, all thanks to Wi-Fi 6 technology.

**Enhanced Audiovisuals:** online meetings are a drag if the video and audio are not up to the mark. Equipped with Dolby® Atmos™ and Dolby® Vision™, you can not just engage in perfect VoIP calls but also enjoy the latest in entertainment in your free time.

### BUILT STYLISHLY FOR TODAY'S WORKFORCE

**Unmatched Display:** with a screen to body ratio of over 90% and an aspect ratio of 16:10, you get a lot more screen in a small form factor. Its 400nits, TUV Rheinland Eyecare certified WQXGA LCD panel ensures you work with minimal eye fatigue, no matter how many hours you spend in front of your screen. Another feature that works for you is the Ambient Light Sensor (ALS). It detects ambient light and adjusts the brightness of the screen and turns the keyboard's backlight on and off.

**Stunning and Portable:** Lenovo ThinkBook 13x looks good and is easy to carry around. Its dual-tone Storm Gray or Cloudy Gray top cover is guaranteed to get you a second look. Weighing less than 1.2kg and with a thickness of just 12.9mm, you will love showing this PC off.

**A Quiet Performer:** the 13x is designed to go about its day silently. With just one fan encased in its chassis along with ITS 4.0 technology, it possesses impeccable thermal performance, allowing you to work without worrying about overheating.

\*Product images are not final and subject to change without prior notice

### SECURITY THAT ENHANCES USER EXPERIENCE

**Power On and Log In Instantly:** start your PC with just a touch. Smart Power On lets you power on and unlock the PC with your fingerprint in one step—like a smartphone.

**Camera That Has You Covered:** get all the privacy you need when using the HD camera with ThinkShutter—a physical shutter that can be used to block people from seeing you.

**Security Guaranteed:** when the mind is without fear, creativity flows. Lenovo understands this and adding to security features like Smart Power On and ThinkShutter, your key data is encrypted using a discrete trusted platform module (dTPM), ensuring your sensitive information is safe at all times.

## RECOMMENDED ACCESSORIES

**ThinkBook**

**Lenovo**

**LENOVO 100 STEREO USB HEADSET**  
PN: 4XD0X88524

Lenovo 100 Stereo USB Headset is perfect blend of on-ear business-ready stereo USB Headset with rotatable boom microphone and passive noise cancellation for clear audio for VoIP calls. It works with all leading Unified Communication and Operating System platforms while certified to Google's Work With Chromebook. It is light-weighted for all-day wear with comfortability leather and memory-form earcups.

**THINKBOOK BLUETOOTH SILENT MOUSE**  
PN: 4Y50X88822

This tiny accessory will be the companion your PC deserves. Modern, low profile, ambidextrous design with silent buttons makes it a premium peripheral you won't want to let go of. Get more precision and control with dual-host Bluetooth connectivity (with Microsoft SwiftPair) and 2-way scroll with on-the-fly DPI adjustment to up to 2400. Equipped with a blue optical sensor with track-on-glass compatibility, the mouse works on any glossy surface.

**THINKBOOK 14-INCH SLEEVE (GREY)**  
PN: 4X40X67058

Thin and lightweight, the ThinkBook 13-14" Sleeve (Grey) is designed for the modern worker. Along with its contemporary grey color tones and slim silhouette, this sleeve also has padding and a soft microfiber lining to protect your laptop where ever you go.

## SERVICES AND SUPPORT: ALL-ROUND CARE FOR YOUR LENOVO THINKBOOK 13x

### PREMIER SUPPORT

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems. Get a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.<sup>1,2</sup>

### WARRANTY UPGRADES

Onsite Service maximizes PC uptime and productivity by providing convenient, fast repair service at your place. In addition, with Tech Install CRU service the installation of all internal Customer Replaceable Unit (CRU) parts will be done on your behalf by a trained technician.<sup>1</sup>

### WARRANTY EXTENSIONS

This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your investment, and lower the cost of ownership over time.<sup>1</sup>

### ACCIDENTAL DAMAGE PROTECTION

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This protection plan helps with predictable budgeting, minimizes unexpected repair costs and provides significant savings relative to the cost of non-covered repairs.<sup>1,2</sup>

### KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.<sup>1,2</sup>

<sup>1</sup> Up to 5 years total duration

<sup>2</sup> May not be available in all regions

<sup>1</sup>Based on testing with MobileMark 2014. Battery life varies significantly with settings, usage, and other factors.

<sup>2</sup>Optional.
