

The new standard for the hybrid workplace

Tecra A50-J-14E

Today, you need devices that work as well at home as they do in your headquarters. That's why we created the Tecra A50. Designed to tick every box for modern workers and IT managers alike, this 15" notebook packs enterprise-grade security and management technology into a stylish, robust and easy-to-carry chassis. It meets Microsoft's stringent Secured-core PC requirements, and features optional Intel® AMT for maximum manageability both in and out of the office. And with blazing-fast 11th Gen Intel® Core™ processors and Iris® Xe graphics and up to 32GB of DDR4 RAM in two fully configurable slots, you can be sure that wherever teams are working, they'll be doing so productively.

11th Gen Intel® Core™ Processor & up to Iris® Xe graphics
