

BOOST↑CHARGE™

Dual USB-A Wall Charger 24W

Conveniently charge two devices at once with a 24W dual-port wall charger. Two 12W USB-A ports allow for faster charging of two smartphones at once, or a smartphone and tablet, making it perfect for people with numerous devices. Designed with a small footprint, it's also great for traveling, and it comes with a Connected Equipment Warranty.

Use Cases

1. Charge your smartphone while leaving a second port open for a family member or a guest.
2. Charge your smartphone while also recharging an accessory like earbuds or a power bank.
