

Speaker Bluetooth

00188234 "Bomb 3.0" Bluetooth® Loudspeaker, Waterproof IPX7, LED, 16 W, blk

Highlighttext:

- Waterproof Bluetooth loudspeaker for complete music enjoyment with a mobile phone, tablet or laptop - anywhere and at any time
- This portable loudspeaker has it all: 16 Watts of music power and outstanding stereo sound ensure the perfect musical accompaniment to creative working or the party mood
- Music box with bass at the press of a button: Equaliser with three different sound effects for additional bass, accentuated trebles or balanced sound, switch easily with a button
- Harmony of sound and light: The LED illumination can be changed into 5 different modes to match the music or ambience, or simply use it as a discreet light source outside
- Pair the loudspeaker thanks to True Wireless Stereo (TWS) - connect two loudspeakers via Bluetooth and position them anywhere in the room for true stereo sound
- Enjoy your favourite songs for a long time: the loudspeaker can be used via Bluetooth for up to 10 hours
- With the integrated hands-free system, making phone calls in HD quality is very easy
- Full mobility thanks to battery operation with LED charging indicator: fast charging within 3 hours with USB-C interface
- Waterproof to IPX7: sudden shower? No problem. The loudspeaker is splash-proof, which means the music stays fine even when the weather is bad
- With handy hanging loop and rubber-finish buttons for easy, intuitive operation
- Light effects on demand: illumination on the sound box can be deactivated
- Universal in use thanks to Bluetooth 5.0: simply connect the loudspeaker to a compatible device, from notebooks and TV sets to smartphones

System Requirements:

- Bluetooth-enabled device

Note for Consumers:

The Bluetooth usage duration depends on the volume and the LED lighting.

Technical characteristics:

- Colour: Black
- Shade of colour: Black
- Connection: USB-C-Connector
