

Wireless Charger

00201699 Apple Watch Charger for Wireless Charging, Magnetic USB-C Charging Station,

Highlightstext:

- Wireless and efficient: wireless charging with precise, magnetic alignment - simply place on the charger for wireless charging of all Apple Watches
- The integrated magnet means that all Apple Watch generations can be easily docked onto the charger and perfectly positioned for ideal charging - without any fiddly manual alignment
- Wireless charging pad in high-quality, handy design for desks and ideal for on the go: simply place the Apple Watch on it and charge
- Apple Watches placed on it are automatically detected and optimally charged
- Guarantees maximum charging speed with charging optimised for the smartwatch
- Optimized charging process saves the battery thus extending its service life
- That tedious search for a charging cable and the tangle of cables are no more thanks to the wireless charger
- Charging begins automatically after the Apple Watch is docked
- To end the charging process, simply remove the smartwatch from the wireless charging pad
- Smart charging technology: wireless inductive technology for all Apple Watch generations
- Safe and intelligent charging: Overcharge, overvoltage and short circuit protection as well as foreign body recognition for maximum safety for smartphones, batteries and chargers
- Charger can be charged from the USB-C port on the Power Pack, laptop or a socket adapter
- Cover cap protects the USB-C port from dust and other particles of dirt
- Pleasant soft-touch surface feels good and prevents the charger from slipping

Note for Consumers:

The Apple Watch charging module is MFI-certified and suitable for Apple Watches of all generations. Apple sets down strict quality standards and verifies these before the products are launched onto the market.

Technical characteristics:

- Colour: White
- Shade of colour: White
- Connection: USB-C-plug
- Input: 5V/1A
- Input Voltage Range from/to: 5-5 V
- Qi certification: No
- Additional Functions: Magnetic
- Height: 11 mm
- Length: 60 mm
- Weight: 21 g
- Width: 36 mm
- Input Voltage 1 / Max. Input Current 1: 5 V / 1 A
- Required accessories: Charger
- Recommended Use: Smartwatch
- Suitable for: Handy

Delivery:

- 1 Apple Watch charger
- 1 operating manual
